AFAEMME publishes the conclusions of the V Mediterranean Women Entrepreneurs Forum

The role that women entrepreneurs play in economic productivity and innovation was highlighted during the recently concluded fifth annual Mediterranean Women Entrepreneurs Forum held in Barcelona. The Forum was organized by [AFAEMME](#) (Association of Organizations of Mediterranean Businesswomen), in partnership with [ASCAME](#) (Association of Mediterranean Chambers of Commerce and Industry) and the Barcelona Chamber of Commerce, Industry and Navigation.

The conclusions from the event that took place on November 22, 2013, in the framework of the VII Mediterranean Week of Economic Leaders, underline the important opportunity for Mediterranean women entrepreneurs to network and to learn more about how women-owned enterprises are developing in countries such as Albania, Algeria, Egypt, Greece, Italy, Lebanon, Libya, Malta, Morocco, Monaco, Palestine, Syria, Tunisia and Turkey.
